Introduction

Fees, charges and refunds within the Australian Vocational Education and Training (VET) sector are tightly and carefully regulated to ensure that students and other consumers are protected. This policy ensures consistency, fairness and transparency for domestic students enrolled into an AIWT course of study. It also guides staff in all operational areas to give sound advice to students of their rights and obligations.

Purpose

The purpose of this policy and procedure is to clearly outline:

- fees and charges are accurately published
- how course fees are charged
- how payments are processed
- what they cover
- how fees paid in advance are protected
- the conditions under which a refund may apply
- how to apply for a refund

Alignment to Standards for RTOs 2015 Clause (www.asqa.gov.au/standards/chapter-2/clause)

- 5.3 Where the RTO collects fees from the individual learner, either directly or through a third party, the RTO provides or directs the learner to information prior to enrolment or the commencement of training and assessment, whichever comes first, specifying:
 - a) all relevant fee information including:
 - i) fees that must be paid to the RTO
 - ii) payment terms and conditions including deposits and refunds.
 - b) the learner's rights as a consumer, including but not limited to any statutory cooling-off period, if one applies
 - c) the learner's right to obtain a refund for services not provided by the RTO in the event the:
 - i) arrangement is terminated early
 - ii) the RTO fails to provide the agreed services.
- 7.3 Protecting pre-paid fees by students: Where the RTO requires, either directly or through a third party, a prospective or current learner to prepay fees in excess of a total of \$1500 (being the threshold prepaid fee amount), the RTO must meet the requirements set out in the requirements for fee protection in schedule 6.

Policy Statement

1. Fees and Charges

Marketing and Admission

- 1.1 AIWT publishes accurate information about fees, charges and refunds in relevant information sources such as the AIWT website, student e-prospectus, student agreement and/or Letter of Offer to ensure that students have access to sufficient information enabling them to make an informed decision in regard to their financial commitment to undertake a course/s with AIWT.
- 1.2 AIWT publishes future fees and charges changes 3 months prior in relevant information sources.
- 1.3 AIWT will not accept pre-paid fees in excess of \$1500.00 as per the Standards for RTO's 2015 Clause 7.3. This does not apply to commercial arrangements with an employer wanting to purchase training for their staff.

- 1.5 AIWT holds all pre-paid student fees received from future students in a secure bank account. Student fees are drawn upon once the student has commenced their studies.

- 1.8 Tuition fees for government-funded programs by Jobs and Skills WA are set each year in accordance with the current VET Fees and Charges Policy published by the Department of Training and Workforce Development.
