1. Introduction

A student may request a deferment or suspension of their studies due to compassionate and compelling circumstances as set out in the National Code of Practice for Providers of Education and Training to Overseas Students 2018.

AIWT may suspend or cancel a student's enrolment for non-payment of fees, no course progression, poor attendance or serious misbehaviour or academic misconduct.

This policy guides AIWT students and staff to understand and follow the process involved to defer, suspend or cancel an enrolment by a student or by AIWT (provider). This policy and procedure is communicated throughout a student's enrolment cycle via the AIWT website, the student handbook and on Orientation.

What is a deferment?

A deferral is a postponement of enrolment prior to commencement of study with AIWT. A course can be postponed to a maximum of up to 6 months.

What is a suspension?

A suspension is a temporary postponement of enrolment due to compassionate and compelling reasons after a course of study has commenced.

What is a cancellation of enrolment?

Withdrawal or cessation of enrolment in a course.

Alignment to the Standards for Providers of Education and Training to Overseas Students

National Code 2018 Part B

2.1.8 Prior to accepting an overseas student or intending overseas student for enrolment in a course, the grounds on which the overseas student's enrolment may be deferred, suspended or cancelled.

8.16.3 The registered provider must not extend the duration of the overseas student's enrolment if the overseas student is unable to complete the course within the expected duration, unless an approved deferral or suspension of the overseas student's enrolment has occurred under Standard 9 (Deferring, suspending or cancelling the overseas student's enrolment).

Standard 9 Deferring, suspending or cancelling the overseas student's enrolment

9.1 A registered provider must have and implement a documented process for assessing, approving and recording a deferment of the commencement of study or suspension of study requested by an overseas student, including maintaining a record of any decisions.

9.2 A registered provider may defer or suspend the enrolment of a student if it believes there are compassionate or compelling circumstances.

9.3 A registered provider may suspend or cancel a student's enrolment including, but not limited to, on the basis of:

9.3.1 misbehaviour by the student

9.3.2 the student's failure to pay an amount he or she was required to pay the registered provider to undertake or continue the course as stated in the written agreement

9.3.3 a breach of course progress or attendance requirements by the overseas student, which must occur in accordance with Standard 8 (Overseas student visa requirements).

9.4 If the registered provider initiates a suspension or cancellation of the overseas student's enrolment, before imposing a suspension or cancellation the registered provider must:

9.4.1 inform the overseas student of that intention and the reasons for doing so, in writing

9.4.2 advise the overseas student of their right to appeal through the provider's internal complaints and appeals process, in accordance with Standard 10 (Complaints and appeals), within 20 working days.

9.5 When there is any deferral, suspension or cancellation action taken under this standard, the registered provider must:

9.5.1 inform the overseas student of the need to seek advice from Immigration on the potential impact on his or her student visa

9.5.2 report the change to the overseas student's enrolment under section 19 of the ESOS Act.

9.6 The suspension or cancellation of the overseas student's enrolment under Standard 9.3 cannot take effect until the internal appeals process is completed, unless the overseas student's health or wellbeing, or the wellbeing of others, is likely to be at risk.

2. Policy Statement

- 2.1 AIWT has documented procedures in place for assessing, approving and recording the process of deferment of the commencement of study, suspension of study and cancellation of study for AIWT international students enrolled into a CRICOS registered course.
- 2.2 AIWT must keep documentary evidence on a student's file of the assessment and outcome of the application.
- 2.3 AIWT manages the storage of those records in accordance with the relevant privacy legislation and other registration requirements.
- 2.4 A deferral, suspension or cancellation will be reported to the Department of Education and Training via PRISMS.
- 2.5 All applications must be made in writing by the applicant. AIWT communicates to the applicant in writing via emails, invite to meeting and informing the student of outcomes.
- 2.6 Students must seek advice from the Department of Home Affairs on the potential impact on their student visa if the enrolment has been deferred, suspended or cancelled. The Department of Home Affairs may cancel an international student's visa if the deferral, suspension or cancellation is due to:
 - misconduct or misbehaviour of the student
 - reasons other than compassionate or compelling circumstances
 - the compassionate or compelling circumstances which warranted the deferral or suspension of studies cease to exist
 - is based on fraudulent evidence or documents given to the registered provider.

Deferment, Suspension and/or Cancellation initiated by student

AIWT will only defer or temporarily suspend the enrolment of a student on the grounds of compassionate or compelling circumstances (for example, illness where a medical certificate states that the student is unable to attend classes).

"Compassionate or compelling circumstances" are generally those beyond the control of the overseas student and which have an impact upon the overseas student's course progress or wellbeing. These could include, but are not limited to:

- serious illness or injury, where a medical certificate states that the overseas student was unable to attend classes;
- bereavement of close family members such as parents or grandparents (where possible a death certificate should be provided);
- major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the overseas student's studies;
- a traumatic experience, which could include:
- involvement in, or witnessing of a serious accident; or
- witnessing or being the victim of a serious crime, and this has impacted on the overseas student (these cases should be supported by police or psychologists' reports)

Cancellation by student (Student Default)

An application to cancel a course must be done in writing to studentservices@aiwt.edu.au using the Deferment, Suspension and Cancellation form.

Students wishing to cancel their course must ensure that the course fee for the current enrolled study period is paid for.

If a student wishes to cancel their course of study, it is important that the student is aware that he /she may need to access other related policies and procedures:

- Application for a Refund/ Fees, Charges & Refund Policy (contact accounts to check if a **cancellation fee or refund applies**)
- Application for a Letter of Release/ Transfer between registered providers policy and procedure

Suspension and/or Cancellation initiated by provider

AIWT may suspend or cancel an international student's enrolment, due to

- non-Payment of fees to undertake or continue the course as stated in the written agreement (LoO)
- breach of required course progress
- breach of attendance requirements
- Misbehaviour by the student

If AIWT is unable to offer the course as outlined in the written agreement or a pre-requisite unit of study cannot be offered due to either

- the student has not been deemed competent yet in a pre-requisite unit or
- the required pre-requisite unit is not offered in the required study period AIWT may initiate a suspension and/ or cancellation of enrolment.

Where AIWT initiates a suspension or cancellation of an international student, AIWT follows the procedure to ensure the student is informed of the process and his/her rights. AIWT will

- provide the student with the reasons for doing so in writing; and
- advise the student that they have a right to appeal the decision made by AIWT through accessing the complaints and appeals policy and procedure within twenty (20) working days, in accordance with Standard 10 of the National Code 2018. The student will continue to be enrolled until the internal and/or external appeals process is completed
- except, if a student's health or wellbeing or the wellbeing of others is likely to be at risk, a student may not be given the opportunity to appeal. AIWT must keep evidence to support this. Situations may include but are not limited to:
