If a student is directed to breach service policy (for example, to stand on a chair or table to hang an item), any resulting injury will not be covered under this policy.
- Item 3: This policy covers death and personal injury by accident, disablement occurring during the work experience period, not including any injury directly attributed to or consequential upon intentional criminal acts by the EC student.
- Item 4: There is no insurance coverage for damages to service properties or injury as a result of a motor vehicle accident or criminal activity.
- If conditions and policy requirements covered in items 1 to 4 have been met: This cover may pay for expenses and services not covered by Medicare or private health insurance organisations.
