Introduction

Fees, charges and refunds within the Australian Vocational Education and Training (VET) sector are tightly and carefully regulated to ensure that VET students and other consumers are protected. This policy ensures consistency, fairness and transparency for domestic VET students enrolled into an AIWT course of study. It also guides staff in all operational areas to give sound advice to VET students about their rights and obligations.

Purpose

The purpose of this policy and procedure is to clearly outline:

- fees and charges are accurately published
- how course fees are charged
- how payments are processed
- what they cover
- how fees paid in advance are protected
- the conditions under which a refund may apply
- how to apply for a refund

Alignment to Standards for RTOs 2025

- Where the RTO collects fees from the individual learner, either directly or through a third party, the RTO provides or directs the learner to information prior to enrolment or the commencement of training and assessment, whichever comes first, specifying:
 - a) all relevant fee information including:
 - i) fees that must be paid to the RTO
 - ii) payment terms and conditions including deposits and refunds.
 - b) the learner's rights as a consumer, including but not limited to any statutory cooling-off period, if one applies
 - c) the learner's right to obtain a refund for services not provided by the RTO in the event the:
 - i) arrangement is terminated early
 - ii) the RTO fails to provide the agreed services
- Protecting pre-paid fees by VET students: Where the RTO requires, either directly or through a third party, a prospective or current learner to prepay fees exceeding a total of \$1500 (being the threshold prepaid fee amount), the RTO must meet the requirements set out in the requirements for fee protection.

Jobs and Skills WA VET FEES AND CHARGES POLICY

Policy Statement

1. Fees and Charges

Marketing and Admission

- 1.1 AIWT publishes accurate information about fees, charges and refunds in relevant information sources such as the AIWT website, student e-prospectus, student agreement and/or Letter of Offer to ensure that VET students have access to sufficient information enabling them to make an informed decision about their financial commitment to undertake a course/s with AIWT.
- 1.2 AIWT publishes future fees and charges changes 3 months prior in relevant information sources.
- 1.3 AIWT will not accept pre-paid fees exceeding \$1,500.00. This does not apply to commercial arrangements with an employer wanting to purchase training for their staff.

- 1.4 Tuition and administration fees are non-transferable to other VET students or other institutions.
- 1.5 AIWT holds all pre-paid VET student fees received from future VET students in a secure bank account. Student fees are drawn upon once the VET student has commenced their studies.
- 1.6 AIWT securely stores a copy of the Letters of Offer including the written agreement outlining the student fees and charges and the Student Course Acceptance Agreement in the Student Management System.

Government Funded Training

- 1.7 VET Students applying for a government funded training place must meet the eligibility criteria set by DTWD.
- 1.8 Tuition fees for government-funded programs by Jobs and Skills WA are set each year in accordance with the current VET Fees and Charges Policy published by the Department of Training and Workforce Development. Tuition fees are based on a set rate per nominal hour in a VET student's course and are stated in promotional material and outlined in a preliminary invoice attached to the Letter of Offer.
- 1.9 Concession fees apply to VET students who can demonstrate eligibility for:
 - Persons and dependants of persons holding:
 - a Pensioner Concession Card;
 - a Repatriation Health Benefits Card issued by the Department of Veterans' Affairs; or
 - a Health Care Card.
 - Persons and dependants of persons in receipt of services from the following Commonwealth support or employment services programs:
 - Workforce Australia; or
 - ParentsNext.
 - Persons and dependants of persons in receipt of AUSTUDY or ABSTUDY.
 - Persons and dependants of persons in receipt of the Youth Allowance.
 - Persons and dependants of persons who are inmates of a custodial institution.
 - Secondary school-aged persons, not enrolled at school.
- 1.10 AIWT holds all pre-paid VET student fees received from future VET students in a secure bank account. Student fees are drawn upon once the VET student has commenced their studies.
- 1.11 AIWT securely stores a copy of the Letters of Offer including the written agreement outlining the student fees and charges and the Student Course Acceptance Agreement in the Student Management System.

Invoicing and Payment

- 1.12 AIWT accounts issues regular invoices prior to the course start/study period, listing itemised components of course related fees & charges (GST Free). If applicable, additional goods and services purchased, will be invoiced separately e.g. additional mentoring or coaching or equipment which is optional, but a VET student may wish to access.
- 1.13 Fees must be paid as per the payment schedule outlined in the Letter of Offer. AIWT prefers to receive payment by electronic bank transfer, EFTPOS or Credit Card (surcharge applies). VET Students must ensure that they add their Student ID and Full Name when transferring money into the nominated AIWT bank account.
- 1.14 AIWT issues a receipt for every payment made to AIWT. It is highly recommended that VET students keep their payment records in a secure place to have proof of payment.

Issuing of Qualifications

- 1.15 AIWT will issue qualifications and record of results only if all fees relating to this qualification are paid in full.

Late Fees and Non-Payment of Fees

- 1.16 AIWT will issue one warning letter for overdue fees within 7 days via email.
- 1.17 AIWT will issue a NOITC if overdue fees are not paid within 7 days after the warning letter has been sent. VET Students have 20 days to either pay the outstanding amount or come to an arrangement with the AIWT accounts team.
- 1.18 Non-Payment of Fees can result in the following actions by AIWT:
- Issue a suspension of study;
 - Remove access to AIWT's resources, computer systems or online course;
 - Withhold academic transcripts and/or qualifications;
 - Cancel the enrolment;
 - Report the breach of a Training Contract for government funded courses resulting in the cancellation of the funded training place;

2. Refunds of Prepaid Fees

- 2.1 This policy applies to all intending, commencing and continuing VET students who have paid fees in advance.

- 2.3 VET Students who apply for a refund under this policy are afforded the principles of natural justice, including the ability to lodge a complaint or appeal against any decision relevant to an application for a refund request.
- 2.4 This policy and the availability of complaints and appeals processes do not remove the right of any student to take action under Australia's consumer protection laws.

VET Student withdraws enrolment prior to course start (Student Default)

- 2.5 Withdrawals must be in writing using the Deferment, Suspension and Cancellation Form available from Student Services and/or on Moodle. The form must be emailed to studentservices@aiwt.edu.au
- 2.6 Where a VET student cancels in accordance with the meaning given in this policy, the refunds of fees table in APPENDIX A applies.

 - refund any prepaid fees or the unused portion.

<https://www.wa.gov.au/government/publications/vocational-education-and-training-fees-and-charges-policy>

3. Procedure

How to apply for a Refund?

All VET students seeking a refund for any purpose must complete the "Application for Refund Form" including any supporting evidence as required and email to futurestudents@aiwt.edu.au if the course has not yet commenced and to studentservices@aiwt.edu.au if the course has commenced.

If the applicant is under the age of 18 years, the guardian must sign the refund form.

A processing time of up to 28 days applies, however VET students are generally informed in writing within 7 days by accounts if the refund application has been declined.

Circumstances which do not qualify for a Refund:

- The VET student has no pre-paid fees against their current enrolment;
- If the VET student has loaned equipment and/or resources from AIWT which has not been returned;

Payment of Refunds:

Refunds will be provided into the VET student's nominated bank account in their own name unless:

- The VET student is under the age of 18 years, in which case, the refund will be provided to the parent or legal guardian responsible for the student.
- In the event that the VET student is deceased or incapable of nominating a bank account, the refund will be provided to the parent or legal guardian as nominated on the VET student's emergency contact details form.
- Under no circumstances will a VET student's refund be paid to a third party without the VET student's written consent.

Written Confirmation or Decline of Refunds Application

Refund Approved

In all cases where a refund is approved and processed, the VET student will receive a written statement that details how the refund was calculated and where it was paid into.

Refund Declined

In all cases where a VET student applies for a refund which is declined, a written statement will be provided to the VET student outlining the reasons for the decision by AIWT to reject the application for a refund.

Refund Payments made in Error

The VET student agrees to repay AIWT (on demand) for any payments credited to the VET student in error. AIWT reserves the right to offset the amount of any over payment made in error against any liability (including any future debt) owing to AIWT by the VET student.

Jobs Skills WA Funded Training
